The grains you need, just the way you want.

Hodgson Mill's state-of-the-art facility specializes in cleaning, stone-milling, blending, and packaging premium quality whole grain products. We are especially proud of the way we use North Carolina pink granite millstones to produce traditional whole grain flours and corn meal, the way it's been done for centuries. Let us demonstrate our flexibility, and skill with sourcing and logistics by working together on your next project.
